SKILLS

- **Languages**: C++, JavaScript, C, JAVA, PHP
- **Frameworks**: HTML and CSS, NodeJS, React JS, Tailwind
- **Tools/Platforms**: MySQL, MongoDB, VS Code
- **Soft Skills**: Problem-Solving, Team Player, Adaptability, Collaboration

PROJECTS

Water Pollution | GitHub/Water-Pollution: Jun' 25

- Educate users about water pollution through well-structured content and visuals.
- Provide interactive features and smooth navigation using HTML, CSS, and JavaScript.
- Promote awareness and responsible actions to reduce water pollution.

Calendar Event Generator | GitHub/calendar-event-generator: Apr' 25

- Calendar Event Generator enables users to reliably remember future events by allowing them to record, manage, and access tasks scheduled on specific dates.
- System efficiently performs create, update, delete, and read operations using core DSA concepts in C++, and skillfully applies arrays, linked lists, searching, and sorting.
- Project successfully demonstrates strong DSA implementation by delivering a functional event-reminder system that efficiently organizes events and significantly improves user convenience.

TRAINING

Data Structure and Algorithm | Lovely Professional University | Link Jun' 25

- Demonstrates core DSA concepts by efficiently using arrays, linked lists, stacks, queues, and trees to systematically organize and manage data.
- Implementation optimizes data storage and retrieval by effectively applying suitable algorithms, thereby improving performance and significantly reducing time complexity.
- Development successfully showcases strong data-handling capabilities and clean algorithmic design using VS Code as the primary environment.

CERTIFICATES

- Cloud Computing | NPTEL| Link — Apr' 25
- Computer Communication | Coursera | Link — Nov' 24
- Responsive Web Design | Free Code Camp | Link — Nov' 23

Extra-Curricular Activity

- Competed in a Code-A-Hunt 2.0| hackathon | Link — Nov' 24
- Attended a Debate Workshop — Oct' 24
- Completed the Glow Run Electrica 2.0 | Marathon |Link — Nov' 23

EDUCATION

- **Lovely Professional University** — Punjab, India
  Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.11** — Since Aug' 23
- **J.P International School** — Jind, Haryana
  Intermediate; **Percentage: 58.8%** — Apr' 22 - Mar' 23
- **St John's Sr. Sec. School** — Jind, Haryana
  Matriculation; **Percentage: 60.80%** — Apr'19 - Mar' 20
